MORNINGLEADER

MONDAY MORNING NOV. 23, 1863.

The Loyal Element. There are constant developments cam the secoded States, which apparently needs unly guidance, encouragement and protection to take a substantial and practical shape. In Louisiana, in Mississippi, in Arkansas, in North Carolina, is the spirit of loyalty to the old Government being manifested, and nothing is wanting but the removal of the terrors of rebel despotism, and to create a feeling of personal se-

slavery for the Union. As fast, and as far as possible these loyally disposed people in these States presumption to attempt a description of the should be taken under the care of the Na- sights and scenery between the Forest City tional Government, by the appointment of and this place, after such pensus Bancroft, military Governors, as in Tennessee .- Willis, Taylor, and others of their caliber Thus will the work of reconstruction go have wrought in fairy wreaths sentences and rapidly forward.

"Union as it was," must frighten or deter conce that Nature has strewn along the great no one, longer. We must get the strength, the courage, and the boldness to say that we do not want the Union as it was, with trim, and that there is no more danger to be alayery in it, its master and its curse,-Save the Union, but cast out from it, the Jeff., we would advise all who are " Eastern element of its destruction, that thrice ac- bound," to test the politoness of its managcursed system, whose baleful influence has | ers and its various conveniences, and enjoy arrayed States, discordant and belliger- at the same time what it is every true patrient against each other in deadly strife, and ot's duty to see for himself-the grandest drenched the land with blood.

The advance in the price of almost every article of use, furnishes a powerful argument in favor of economy. Although there is not the faintest indication of scarcity in the important staples of consumption, yet ; there is nothing to indicate a fall in prices.

In a season like this, everything should be dispensed with not strictly required for begun with a vigor that bespeaks a boisterthere is nothing to indicate a fall in prices. our comfort and usefulness. The important inftruction of sacred writ, "Gather up the fragments, that nothing lost," is particplarly applicable now-a-days. Poor neople who are blest with health can get plenple who are blest with health can get plenty of work at good wages. But those who
are unable to labor must feel most keenly
the effect of high prices.

soon numbers as renowns to supply insignificant. Their name is ment, made a reconnoisance yesterday in the direction of Sherryville, and captured a prominent character, from the fact that he has the patronage of the House, which is
the effect of high prices. the effect of high prices.

The Richmond papers are still complaining of starvation prices. Is their market review of the 6th we find that apples were worth \$456,\$55 per bushel; Irish potatoes \$100,\$12 per bushel; Irish potatoes \$100,\$12 per bushel; for \$100 per b 2: tallow espdies \$3.50@\$3.75; fresh ments are worth from \$1,25@\$2; chickens heard from. \$6 a \$8 per pair; turkeys \$12 a \$15 apiece; der of the Ar_sy of the Potomac are the or, oabbages 75 cents to \$1,25 per head.

Bather a poor show for a Thanksgiving ble is said to be its destiny. But at present, only practical basis, the basis of feeedom

The work of volunteering is going on briskly in other States. It is said that cations to protect them, Cleveland is with-about one-half the quots of Indians has already been filled. In Illinois and Michigan the whole energies of the people applications of the people application on the States is the South, row in our possession, leave no cut defense, and is at the mercy of a single doubt that the policy of the Administration to permit none of the vagrant slave igns the whole energies of the people applications of the South, row in our possession, leave no cut defense, and is at the mercy of a single doubt that the policy of the Administration to permit none of the vagrant slave in the South, row in our possession, leave no cut defense, and is at the mercy of a single doubt that the policy of the Administration to permit none of the Vagrant slave in the South, row in our possession, leave no cut defense, and is at the mercy of a single gunboat. The Leader of the 15th says:

LOCAL MATTERS.

From Saturday Evening's Edition-STOLEN BANK NOYES.—A large quantity for the Free- GOLD SHIPPED TO nun's Bank, Bristol, Rhode Island, are now bills, with " green backs," and the old ones will be repudiated.

THE SULTANA.-Old citizens and lake avellers will remember the Sultans, once Chicago trade. She was built in 1845, and for many years, under Captain George Appleby, was a popular steamer. A few years ago she was converted into a sloop-rigged ing to Hight of a loyal element existing in | barge, for carrying wood and lumber. A few nights since, she struck the bottom in the vicinity of Point aux Barque, with such force as to knock a hole into her. She sunk immediately, and is now beyond all hope of re-

Band or Hore.—A juvenile temperance organization, of the above character, is about being organized upon the West Side. It will be auxiliary to Minnehaha Temple of Good Templars, but the meetings will be open curity under the old flag, to induce men by to the parents and adult friends of the obilthousands to show their allegiance. While dren. Mr. Moses A. Brown has been chosen Copperheads North are talking about a Superintendent. The exercises of the Band rentoration of the "Union as it was," the will consist of music, recitations, brief adoverborne, and hitherto silent loyalists of dresses from friends, and the circulation of the South, emphatically say, Give us the the pledge. This is truly a praiseworthy Union, its protection and its safe-guards move, and should meet with hearty encour back again, though the entire abrogation agement from all true levers of morality and and eradication of slavery be the result I religion. It is by no mesas an uncommon These men, having tasted the bitterness of thing to see and hear of children drinking the rebellion, would gladly relinquish intextenting liquous in this city.

Washington, D. C., Nov. 18, 1863. It would be nothing short of downright encomiums that are calculated to convey just The Copperhead bugbear cry of the ideas of the beauty, grandeur and magnifiapprehended from the foragers of Master scenery of his own country. Our own trip over it was the most pleasant Rallroad jour-

over it was the most pleasant Kaliroad jurney we ever enjoyed, and we wish all who
come after us the same pleasant experience.
In this place all is business, buttle and
preparation for the coming events that have
not as yet cast their shadow. The
XXXVIIIth Congress is expected to be a big
thing when it comes.

The Capitol building is being put in radi-

ous organization. Colfax is the popular candidate for Speaker. The men of the East desiars Bessendena candidate for Clerk.— The positions of Sergeant-at-Arms. Post-master and Door-Keeper, are sought for by such numbers as renders the simple terr

very large.

The present incumbent is Goodenow, of New Y.rk. He is known here as one of the "old rats," which term being literally trans-

FROM BANKS' DEPARTMENT.

Federal Occupation of Brownsville

FROM NEW YORK. Naw York, Nov. 21.

The World says the French war steamer
Milen has just arrived at this port from
Vera Cruz via Havana. She will return directly to the former port, having been ordered to New York expressly to take out to Mexico \$4,0.0,000 in gold purchased in this city, on account of the French Govern-ment, by the house of Belmont & Co.

World's dispatch : The Indiana State Agent reached here to-night from Fort Monroe, bringing with him a letter from Commissioner Ould, in reply to one of his own, stating that the rebel authorities will promptly receive and deliver to all Indiana soldiers in the Confederacy all clothing and supplies which may be forwarded to them, and for which he (Ould) will give due notice to the Indi-ana authorities from time to time as such may be delivered and accounted for.

A proposition has been made to the Rich-mond authorities to release unconditionally without parole or exchange, all newspape correspondents in prison, provided a similar release of the same number of civilians is made here.

Advices from the front to-night state

that no collision has yet occurred. The rebels have made no new demonstration within a day or two but seem to be still strengthening their earthworks. A New Orleans correspondent of the 14th,

to the Herald, states: Yesterday, the U.S. Marshal and his Deputies reized all the cotton now in New Orleans. The seizure was made on the order of Mr. Rufus Walles, the U. S. District Attorney. Rumor says that the seizure was made on information derived from se-cret parties, that most of the cotton now in store and in transitu was purchased from disloyal parties, and that before it can be relieved the present owners must prove that the parties from whom they purchased are loyal to the United States Govern-
